Information files by e-mail

Choose alert recipients, file format then confirm.

The screenshot displays the HSBC Elys PC interface for configuring an alert. The left sidebar contains the HSBC logo and a navigation menu with the following items: Contract, Account list, Log out, Subscribe our products, Statements, Domestic payments & transfers, Domestic beneficiaries management, Cross-border transfers, Cross-border beneficiaries management, Investments, Business cards, Corporate cards, and Chequebook order. The main content area is titled 'Received domestic transfers > 1 000 EUR' and includes a 'Back' button. It features three sections: 'Selected accounts' with a text input field, 'Select the alert recipient(s) mail address(es)' with a checkbox and a text input field, and 'Select the file format' with a radio button selected for 'RTF'. At the bottom, there are three buttons: 'Cancel', 'Amend', and 'Confirm'.
